

Thinking Thursday – Week 11

June 18, 2020

Read to Self:

1. Read to yourself for 15 - 20 minutes.

Home Reading:

1. Read to an adult or older sibling for 15 minutes.
2. Practice your Rainbow Words (Mrs. Watson's class)/sight words (Mrs. Hegland's class).

Close Read: Dolphins by Melissa Stewart

1. *Optional:* Listen to Mrs. Hegland read "Dolphins" by Melissa Stewart. *Published by National Geographic Children's Books.* <https://youtu.be/DTrUENgkQP8>.
2. Complete the Label It activity on Seesaw Class or download the PDF version on the microsite. If you complete the PDF version, please take a picture of your work and send it to your teacher.

Math Challenge of the Day: Composite Shapes

1. Watch the teaching video: Composite Shapes <https://youtu.be/7IUO7OyEiiQ>
2. Challenge: None
3. Practice sheets: Complete "Adding 2D Shapes," "Adding 3D Objects," and "How Many 3D Shapes?" on Seesaw Class or download the PDF versions on the microsite.

Thinking Thursday: Ocean Animal 3D Model

1. Create a 3D model of the ocean animal that you did your research report on. You can use any materials to make your animal. Modelling clay, play dough, construction

paper, toilet paper rolls, recycled materials, and even LEGO are all great options. Be creative and have fun!

Note: If you would prefer to make a different animal, that is perfectly okay! It doesn't even have to be an ocean animal.

2. We would love to see pictures or videos!

Optional Bonus Activities:

1. Add and subtract within 10 review in Seesaw Class.
2. Tally Marks in Seesaw Class.
3. Subtraction within 10 review in Seesaw Class.
