

10 FREE DIGITAL RESOURCES FOR FAMILIES FOR AT HOME LEARNING

Here's a list of some great websites and companies that are currently offering free resources and subscriptions to use with your primary aged children as they are learning from home.

RESOURCE	DESCRIPTION
1 Lunchtime Doodles with Mo Willems https://www.kennedy-center.org/education/mo-willems/	Mo Willems is doing live videos each weekday at 1:00pm EST to draw with kids and show them around his studio (the videos are also saved to watch later)! Kids can even email in questions and their drawings to Mo!
2 Storyline Online https://www.storylineonline.net	Kids can watch some of their favorite books read aloud by movie stars. There are also activity guides for parents and teachers to use along with the book.
3 Brain Pop Jr. https://go.brainpop.com/COVID19	Brain Pop is offering a free subscription for families and teachers to use while schools are closed! It includes animated learning videos, games, and activities for lots of subjects and topics. Brain Pop Jr. is for K-3 and Brain Pop is for grades 4-8.
4 KidLit TV https://kidlit.tv	KidLit TV is a website for kids to explore children's literature! It includes videos of read alouds, interviews with authors and illustrators, and drawing videos. It also includes a kids radio/podcast program and book themed crafts and activities!
5 GoNoodle https://www.gonoodle.com/for-families/	GoNoodle has hundreds of free movement videos to keep your kids active while they are inside at home!
6 Epic! https://www.getepic.com	Epic is a digital library with thousands of books! They are offering a free 30-day subscription to families. (Check with your child's teacher to see if they can send you an invitation for an extended free subscription through June 30, 2020)
7 Scholastic Learn at Home https://classroommagazines.scholastic.com/support/learnathome.html	Scholastic has put together 20 days of lessons for children in PreK-6th grade. Each day includes four learning activities tied to a themed video or story.
8 ABC Ya https://www.abcya.com	Kids can play fun games on ABC Ya while practicing reading and math skills. The free subscription is available on desktop only with limited mobile use.
9 San Diego Zoo https://kids.sandiegozoo.org	Since you can't go to the zoo, San Diego Zoo is bringing the zoo to your home with live animal cameras, activities, and games to learn about the animals at their zoo!
10 Vooks https://www.vooks.com/parent-resources	Vooks is offering a FREE 30-day subscription to families to have access to their library of hundreds of books. Think Netflix for books! The books are literally brought to life with animated illustrations, read-a-long text, and narration!
